None.

CITY OF WILDOMAR – TRAILS SUBCOMMITTEE

Agenda Item #3

Meeting Date: October 26, 2015

TO: Subcommittee Members

FROM: Dan York, Assistant City Manager

SUBJECT: Grand Avenue Bike Lanes and Multi-purpose Trail

STAFF REPORT

RECOMMENDATION:

Staff recommends that the Subcommittee receive and file the report.

DISCUSSION:

In 2013, the City began seeking funding to improve Grand Avenue with bike lanes and a multi-purpose trail from Clinton Keith Road to Corydon. The bike lane is estimated at \$2 million; the multipurpose trail is estimated at \$1.5 million; pavement rehabilitation and resurfacing is estimated at \$0.7 million; and, Engineering, Construction Administration and Contingency at \$1.2 million. Ideally, the city will secure \$5.4 million in grant funds.

To date, the City has secured full funding for the bike lane portion of the work. In September 2013, the City received \$1.4 million of CMAQ funding for bike lane improvements from City Hall along Clinton Keith to Grand Avenue and along Grand Avenue to Corydon. In June 2015, the City received \$0.2 million of SB 821 funds for the bike lanes. In September 2015, the City received \$0.5 million of MSRC funds for the bike lanes.

The city intends to apply for Active Transportation Program and SB821 grants this fiscal year for the multi-purpose trail. And apply for HSIP grants for the pavement resurfacing.

At the completion of the project the city will have 10.4 miles of new bike lanes; 3.4 miles of off-street trails; and, 550,000 square feet of rehabilitated pavement.
