CITY OF WILDOMAR PROJECT NUMBER(S) _____

As engineer of record for the subject project, I hereby certify that the rough grading has been completed in accordance with the approved plans on file with the City. As engineer of record, I further certify that: (1) all grades and pad elevations are in conformance with the approved plans; (2) all property line locations are in conformance with the approved plans; (3) all pads drain toward an approved drainage system or towards the street at a minimum of 1%; (4) I have verified line and grade for all drainage structures; (5) all slopes, including cut and fill slopes have been constructed in the location(s) and at the slope(s) as shown on the approved plans. I also certify that all erosion control devices shown on the approved erosion control plans (if applicable) have been installed and that all Best Management Practices (if applicable) as defined in the project Storm Water Pollution Prevention Plan (SWPPP) have been implemented.
