**TO:** Chairman and Committee Members  
**FROM:** Robert (Bob) Howell, Finance Manager  
**SUBJECT:** FY 2019-20 First Quarter Financial Report

**STAFF REPORT**

**RECOMMENDATION:**

Staff recommends the Committee receive and file the FY 2019-20 First Quarter Financial Report.

**DISCUSSION:**

In accordance with the reporting requirements of Measure Z, Staff is pleased to present the First Quarter FY 2019-20 Financial Report (July 1, 2019 through September 30, 2019). This is also a preliminary report for the fund balance as the independent auditors are engaged in the annual auditing process for that fiscal year with anticipation of a final report for FY 2018-19 during the month of December 2019, which will be presented to the Committee during the February 2020 meeting.

The majority of the fund's annual budgeted revenues of \$430,100 come from the tax assessment of \$28.00 per parcel which are budgeted at \$375,000. Most of these revenues are received in two installments during the fiscal year (January and May). As such, the City did not receive any tax assessment revenues during this first quarter reporting period. The City did receive \$15,133 in other revenues during the reporting period, mostly from special event and facility rentals activities.

The expenditures for the first quarter were \$92,388, or 16% of the \$558,600 FY 2019-20 budget. Most of the expenditures were for on-going maintenance and utilities of the City parks.

**Agenda Item #2.3**  
**GENERAL BUSINESS**  
**Meeting Date: November 14, 2019**

**TO:** Chair and Committee Members  
**FROM:** Janet Morales, Acting City Clerk  
**SUBJECT:** Committee Meeting Schedule

**STAFF REPORT**

**RECOMMENDATION:**

Staff recommends that the Committee set and approve the regular quarterly meeting schedule.

**DISCUSSION:**

Per City Resolution No. 2013-37, "The Committee shall conduct at least four meetings a year." The inaugural Committee set the regular meeting dates to the fourth Thursday of the month at 6:30 p.m. in April, July, October, and January. In FY 15-16, the Committee set the FY 15-16 schedule to November 19, 2015, February 28, 2016, May 26, 2016 and August 25, 2016 due to the additional time needed to provide the Committee the financial reports. Since then, the Committee has been meeting on the 4<sup>th</sup> Thursday of February, May, August and the 2<sup>nd</sup> Thursday of November. At this time, it would be appropriate for the Committee to set and approve the new regular quarterly meeting schedule.
